mCorp puts a smile on sick kids faces.

The annual mCorp MAD Ball has been a huge success once again. Raising \$57,000 for the Clown Doctors, bringing smiles to sick children in hospitals across Melbourne and Australia. Corporate Executive Offices Director Jenny Folley generously donated an office located at HWT Tower, Southgate to be Auctioned at the illustrious event. Kerry Kelendra as the highest bidder of the Auction has been lucky enough to win the office and support the Clown Doctors in doing so. Kerry was happy to put up his hand in support of the Clown Doctors and with the opportunity to extend his business into Melbourne's premier location, HWT Tower, could only see it as a win, win situation. mCorp have been a part of the TOK Corporate Centre in Toorak for many years. As a success Property Investment, Property Sourcing and Finance Company, mCorp have had the opportunity to give back to the community in many ways, supporting the Clown Doctors for the passed 3 years.
